## SUMMARY

Aspiring Product Manager with entrepreneurial experience building AI and consumer products from 0->1. Hands-on experience in customer discovery, user research, PRD writing, wireframing, feature prioritization, and cross-functional execution across AI healthcare and marketplace startups.

## EXPERIENCE

### Cati AI - Noida, UP

*Product & Strategy Associate | Founding Team [Nov 2025 - Present]*

- . Led customer discovery across 12 pilot healthcare providers, synthesizing user insights into 6 recurring product opportunities.
- . Partnered with founders to prioritize 18+ feature requests into 7 MVP features using impact-effort analysis.
- . Authored 5 PRDs, 30+ user stories, acceptance criteria, and workflow documentation across appointment booking & AI chats.
- . Designed 10+ wireframes spanning 4 critical user journeys in Figma.
- . Coordinated User Acceptance Testing (UAT), documented usability issues, and prioritized fixes.

### Secret Private Cafe - Bhubaneswar, India

*Operations & Customer Experience Associate [May 2023 - Oct 2025]*

- . Managed customer experience for hospitality startup serving 50+ guests weekly.
- . Identified operational bottlenecks through guest feedback, reducing wait times by 20-25%.
- . Established structured customer feedback process to continuously improve experience.

### Pie Rooms - Bhubaneswar, India

*Business Operations & Growth Associate [July 2022 - Apr 2023]*

- . Supported growth of room-booking marketplace from 200 to 600 monthly bookings.
- . Analysed customer behaviour and pricing experiments to improve acquisition and repeat bookings.

## PROJECTS & EDUCATION

### Jananivaani - Masai x BITSOM Capstone [Nov 2025 - June 2026]

- . AI-powered multilingual healthcare platform addressing information gaps among underserved communities.
- . Authored PRD, 30+ user stories, and designed 20+ Figma screens across voice and text experiences.
